

P.T.C AGRO (PRIVATE) LIMITED - ANNUAL TRIP - 15TH JUNE 2018

P.T.C Agro (Private) Limited organised its annual trip to Nuwara Eliya for 2018. It was a great opportunity for all our employees to relax and be away from the daily stresses of work to enjoy nature.

A visit to the world famous Horton Plains was a highlight of the trip, where employees had the opportunity to observe wild deer and many other endemic fauna and flora.
